## INTRODUCTION

### Angle Grinder/ Sander/Cutting Tool

Model No. HY-1949A

Multi-Function

### Compact & Powerful

Swivel exhaust

Direct air away from user

◆ Gearless design

Increase tool efficiency and Save maintenance costs

Safety and Convenience

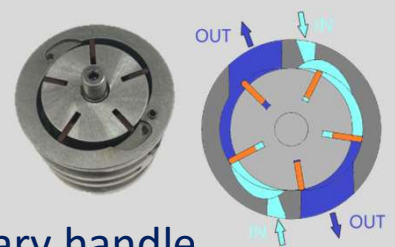

Protective guard with tool-free rotatable adjustment for 360 degrees

◆ Front tool Center gravity

Achieving good grinding effectiveness With easy push-force by hand

◆ Twin chamber design (Double Air Intake)

Provide stable high torque output

◆ Ergonomic auxiliary handle

Exchangeable on both sides

Free speed ( rpm )	11,000
Grinding Disc (Not included)	5"
Exhaust	Side
Horse Power	0.7HP
Weight	3.7 lb / 1.69 Kg
Length	7.2 " / 184 mm
Noise	88 w/silencer
Air consumption @ 90psi	5.05 CFM
Air inlet in.	1/4"
Minimum hose size	3/8" ( 10mm )
